ParishionerRate:

If the minimum is not maintained, a family will be changed to the "Non-Parishioner" rate and billed accordingly. Contributions will be checked on a quarterly basis.

Non-ParishionerRate:

If you are a member of another parish or of another Faith, then you qualify for the Non-Parishioner rate. If you are a registered and active member of your church, you may be eligible for assistance. Please check with your pastor or religious leader.

FinancialAid:

There is a limited amount of financial aid available for students who attend St. Rose of Lima School. Please consult the enclosed Financial Aid information sheet for more information and deadlines. *Please note: Financial aid is NOT available for Pre-Kindergarten students.*

DelinquentTuitionAccounts:

Students whose tuition accounts are in arrears will not be allowed to continue classes unless parents meet with the Tuition Office to work out a payment plan. All accounts must be paid to date in order for students to participate in the end-of-year activities.

Returned Checks/By using a check for payment, you agree to the following terms:

In the event your check is dishonored or returned for any reason, you will authorize us to electronically (or by paper draft) re-present the check to your bank account for collection of the amount of the check, plus any applicable fees as permitted by law.

TuitionReimbursement:

The annual school budget is prepared based on projected enrollment for the coming school year. As students register for the new school year, supplies, materials and textbooks are purchased and staff is hired to provide a sound educational program for the enrolled students. Tuition payments begin July 1st in order to assure that each classroom is properly staffed and fully supplied for the opening of school. Therefore it is the policy of the Saint Rose of Lima School Board not to grant any tuition reimbursement should a child leave our school.

Saint Rose of Lima School Spiritual and Financial Commitment

Spiritual Commitment: Every school has academic instruction as its fundamental purpose. All elementary schools teach essentially the same subject matter. Saint Rose of Lima School, as a Catholic institution, has a unique purpose. Our parish school exists to bring our children closer to Jesus Christ and His Church. Our school nurtures the intellectual life of the student while fostering values and morals in conformity with the teachings of Christ and His Church. By challenging and encouraging them to strive for intellectual and spiritual excellence, it is our hope that they will become men and women of good moral character—productive, thoughtful and compassionate.

Our goal of developing the spiritual and intellectual life of the student can never be attained without the cooperation of our parents. In truth, the school and the home are working at cross purposes if parents are not men and women of Faith themselves—close to Christ and His Church.

Therefore, it is absolutely essential that our parents give evidence of agreement with our goals by attending Mass weekly and by living their Catholic Faith in the daily circumstances of their lives. Without the spiritual commitment of our parents, our work to build strong minds and spirits will be that much harder.

Financial Commitment: In addition to the parish subsidy to the school, it is the responsibility of each family to pay tuition in a timely fashion. *If there is any problem with payment of tuition, parents must notify the tuition office immediately. Failure to meet this obligation or contact the tuition office will lead to the dismissal of the child from the school.*

Parishioners: Saint Rose of Lima School is a parish school. SS. Rose & Clement Parish subsidizes a substantial portion of the operating budget of the school. As a practicing Catholic family, you promise to donate a minimum of \$520 per year (\$10 per week) to support the parish.

Commitment of Parents/Legal Guardians

In consideration of Saint Rose of Lima School's promise to offer an enriched curriculum to students with various needs and abilities in Pre-Kindergarten through Grade Eight and in keeping with our mission to follow the way, the truth and the life of Christ, I/We promise to meet the spiritual and financial commitment stated herein, and understand by signing below that I/We agree to the above terms and conditions.
