

7th Grade Honors Summer Reading Assignment

Dear 7th Grade Students and Parents:

The theme for the seventh grade summer reading is overcoming challenges. There are three required books.

The first is **Condoleezza Rice: A Memoir of My Extraordinary, Ordinary Family and Me** by Dr. Condoleezza Rice. (ISBN-13: 978-0385738804)
Using the pages given, each student will create a larger poster. The poster will be due **Friday, September 6th.**

Poster directions:

1. Fill in the information on your poster from the memoir.
2. Mount sheets on a poster board for backing and add a $\frac{3}{4}$ to 1" decorative border around your poster.
3. Color and decorate your poster. NEATLY!
4. On the back of board, also, include your name.
5. Make use any art material you would like for border. However, poster must be neat and creative with **no** pencil, staples, or visible tape.

In addition to the assigned reading, each student needs to read **two** additional books of your choice within your AR reading range, and must take the quiz upon return to school by **Monday, September 9th.**

Students can use www.arbookfind.com to check your book falls within their ZPD range and that there is a quiz available.
