

The bus stops for the 22/23 school year are now officially posted online. The stops that are posted are reflected by who signed up. Those that didn't sign up should send an email to [transportation@warwickschools.org](mailto:transportation@warwickschools.org) so that we can get them to sign up but there may be a delay in when they can get on the bus.

The Warwick School Committee approved the following walking distances for students to walk to school and to walk to bus stops.

Elementary: 1 mi

Middle School: 2 mi

High School: 2.25 mi

Your stop is within the approved walking distance.

We thank you for all your help!
